

Social and Environmental Responsibility (SER) Policy

Greenliant is committed to preserving the environment by managing and eliminating the impact of harmful substances, as defined by industry standards, in the manufacture of Greenliant products.

Greenliant fully supports the Responsible Business Alliance (RBA), formerly the Electronic Industry Citizenship Coalition (EICC), in addition to all internationally-accepted environmental regulations, including the EU Directives 2011/65/EU (RoHS) and 2015/863/EU amending Annex II. Greenliant actively promotes environmental and social concerns with all partners and suppliers.

As a socially conscious company, Greenliant operates in full compliance with all local laws and regulations in regards to labor, health, safety, environmental management and ethics at all Greenliant locations.
